

Wooloowin State School P&C COMMUNITY NEWSLETTER

Edition 1. 2026

Dear Wooloowin Community,

We're excited to be back and looking forward to another fantastic year supporting our school community. The P&C plays an important role in bringing families, staff, and students together, helping to create the kind of school environment where everyone can thrive. Whether it's fundraising, organising events, or simply being a friendly point of contact, we're here to help in any way we can.

It was so lovely to see and welcome our new families and those returning. If you need any help, have a question please reach out to the P&C we are here to support you with this new chapter.

This year is shaping up to be another big one. We have a full calendar of activities and events planned some designed for families to enjoy together, and others created especially for the kids and of course some just for the adults/ caregivers. These events not only help us raise valuable funds but also strengthen the sense of community that makes our school such a great place.

We kicked things off with a BBQ fundraiser at Bunnings on the 3rd January. A huge thank-you to everyone who volunteered, attended, or grabbed a sausage on the day. We're firing up the grill again soon, with our next Bunnings BBQ happening on Sunday 15 February. We'd love to see you there every bit of support makes a difference.

We also warmly welcome volunteers of all kinds. Helping the P&C doesn't have to mean a big commitment; it might be baking something for the tuckshop from time to time, lending a hand at an event, or joining a planning group for one of our activities. Every contribution, big or small, helps us do more for our kids and our school. More details in this newsletter.

Our next General Meeting will be held on **Thursday 12 February**, and everyone is invited. It's a great chance to meet the team, hear what's coming up, and share your ideas and of course join! We're looking forward to a positive, productive, and fun year ahead.

Cheers,
Kate
