

# Woolloowin State School P&C COMMUNITY NEWSLETTER

Edition 3. 2026

*Dear Woolloowin Community,*

Next week our AGM will be held on 12 March 2026 with all welcome to attend. The AGM will vacate all positions and then consider all returning and new members as well as the Executive role nominations (including President, Vice-President, Treasurer and Secretary and the Sub-Committees). Being part of the P&C is a really rewarding experience. If you are keen to chat around the P&C and the committee please do reach out.

We are exciting to release our PARTNERSHIP OPPORTUNITIES where we look to secure support across the full 2026 year. We are very pleased to report that **Dave the Mortgage Broker** and **Elevate Training Centre** have come on board as sponsors (more about them later in this newsletter). If you would like more details on the partnership opportunities please send through an email and we can provide you with the document to consider.

Our **EASTER RAFFLE** is now live and we are very grateful to all of the donations received to date and to the dozens who have already purchased tickets! Tickets are available via Flexischools and Square and the team will be popping up on-site to sell in person too. Our Easter Raffle is raising funds for new decodeable books supporting the Strategic Plan's Woolloowin Wisdom.

Finally we look forward to celebrating **Harmony Day** on **Friday 20 March from 2pm-4pm**. More details in this newsletter. It will be a wonderful afternoon of culture and community.

Cheers,

*Kate*

# COME AND PARTNER WITH THE P&C

This year the P&C have pulled together our Partnership Opportunities pack. We have identified opportunities for businesses to support our efforts across the year and in return we provide to them benefits that help boost their own business. Like many on the P&C we are business owners ourselves so we do genuinely understand that contributing sponsorships and support is a big deal. We have been incredibly grateful at Wooloowin to have big support throughout 2025 and we are looking forward to increasing that support in 2026 to allow us to do more and give back to our school, our kids and the connection with broader community.

Like to see the Partnership Opportunities? Then please email [president@wsspandc.com.au](mailto:president@wsspandc.com.au).

If you do make contact with Dave or Glenn or any other of our supporters/sponsors please make sure you mention the connection to the school and that we are so appreciative of the support!

# Welcome to our newest GOLD sponsor

*I'm David Pitrans. A proud Wooloowin Dad and founder of "Dave The Mortgage Broker". I have a simple mission: to provide the kind of honest, strategic mortgage advice I would want for my own family. Banks sell products; I provide solutions. My job isn't just to get you a loan, it's to structure your finance in a way that minimizes interest, maximizes tax efficiency (for investors), and helps you pay off your debt sooner. I'm honour to come onboard and support the WSS P&C as a gold sponsor in 2026. Giving back to community is important and if along the way I can help local families with their loans then even better! If you see me around the school or at Wobbies on a Friday night please say hi!*

# REGIS VISITS ARE BACK

## OUR SPECIAL BOND WITH OUR SPECIAL FRIENDS

Since 2019, Woollowin State School has been visiting our friends at Regis Aged Care across the road in Lutwyche.

The partnership has become more formalised in the past four years thanks to the incredible work and passion of Ms Senior. These visits are really something magic to witness.

The bond the children have with their resident friends would bring a tear to anyone's eye but its the spark and the joy in watching the residents light up as soon as the kids hit the building.

Last week's visit saw the kids share their journey over the holidays, read books and sign together. As a P&C we are so proud to support this connection and that with Eden Academy too. We strongly encourage parents to come along and witness this incredible connection. We look forward to lots of visits this year both at Woollowin, at Regis and at Eden with our CREATIVE SPARKS showcase at the end of the year a real highlight!

Huge thanks to Sean Dunstan for his capture of the visit.
