

Investing for Success

Under this agreement for 2018

Woolloowin State School will receive

\$129,170*

This funding will be used to

Ensure that:

- 90% of students achieve a C or better in Summative Assessment items in English
- 95% of students achieve above National Minimum Standard for NAPLAN Reading and 50% of students in the U2B NAPLAN Reading
- 100% of students identified as EAL/D (Bandscale 4,5,6) are supported in engaging with individual curriculum support programs in English.

Our initiatives include

Woolloowin State School uses the Sharratt & Fullan 14 Parameters of School Improvement, as outlined in *Putting Faces on the Data* (2012), as a foundation for its school improvement framework. Our initiatives contextualise these parameters through:

- Development and consolidation of an expert teaching team focused on student improvement
 - Coaching release for embedded Instructional Literacy Coaching
 - Curriculum Coordination Time (CCT) for school based student case management, moderation and engaging with student data
- Support for student development and achievement through staffing, to target support for Early Identification and Ongoing Intervention, and professional development in classroom leadership Embedded Longitudinal Formative Assessment program, to map student learning across year levels and examine progress within cohorts
- Professional development across all roles and responsibilities within the area of Writing, and consistent literacy practices across the school.

Our school will improve student outcomes by

Coaching, case management, and Data Planning Release	\$36,000
CCT for Planning, Early Start and Formative Assessments	\$39,000
Formative Assessments PAT M and PAT R	\$ 4,170
Professional development across school and in 6 Core Literacy Areas (Moving Literacy Forward P-12)	\$40,000
Support staff programing for EAL/D curriculum engagement	\$10,000
